Dear friend,

For too many people, things aren't working as they should be.

Both the Conservatives and Labour are stuck in the past, failing time and again to deliver a better future.

It doesn't have to be this way. We have an ambitious plan for the future of our country, where every person, every community, and our planet can thrive.

A Liberal Democrat government will stop Brexit and build a brighter future.

Please use your vote on 12<sup>th</sup> December to vote Liberal Democrat and build a brighter future.

Best wishes, Jo Swinson
